

KoskiDecor

Elite

Decorative birch plywood panel with transparent melamine overlay

KoskiDecor Elite is a visually striking furniture board based on Finnish birch plywood. Both sides of the board are veneered with high-quality rotary-cut long-grain birch veneer. The natural grain patterns and authentic wood surface give each board a unique and distinctive appearance. The carefully finished surface delivers a premium-quality result for demanding interior applications.

KoskiDecor Elite is a high-quality choice for a wide range of design-focused applications, from retail fixtures and furniture to joinery and custom interior solutions.

Its premium surface quality makes it an excellent choice for interior spaces where the natural beauty of wood and a refined finish are valued.

Technical specifications

Base plywood	Koskisen Finnish birch plywood with improved, selected veneers
Density	Birch approx. 700 kg/m ³
Standard thicknesses	Nominal thickness 12–18 mm
Standard size	2440x1220mm and 2400x1200mm
Bonding	Phenolic resin according to EN 314-2/ class 3 exterior conditions. Formaldehyde emission levels of panels fulfil REACH requirements $\leq 0,062$ mg/m ³ (EN 717-1) Class E05 CARB Phase II, ULEF (Ultra Low Emitting Formaldehyde) Rotary-cut 0.6 mm furniture-grade long grain birch veneer.
Coating	The products are recommended for use only in indoor conditions. Also when kept in direct sunlight the UV radiation darkens the wood surface.
Machining	Drilling of holes (possibility to create patterns), edge machining such as T&G, chamfer and rebate on request.
Other data	Detailed technical values can be found in Koskisen's Declaration of Performance (DoP). Please visit Koskisen website.

Sustainability

Koskisen's products are safe for their intended use and comply with all applicable quality, environmental, and product requirements. The focus areas of product development are improving the long service life, renewability, safety, and traceability of products. Read more: koskisen.com/sustainability

Additional information

Wood is a living material and every panel is unique. Therefore a photograph or a sample piece cannot represent a full sized panel as regards colours, shades, figure, knots etc. Please note that a slight colour variation is accepted between panels.

The information, although based on extensive testing, is intended as a guideline only and comes without warranty. We reserve the right to amend specifications without notice. Any defects other than those caused by clearly verified production or service faults by the supplier are the responsibility of the user. Any claim for compensation is limited to the value of the defective panels. The Seller makes no guarantee that the goods are fit for a particular purpose, unless it provides a written declaration of their suitability.
