

KoskiFutura

HPL

With a high pressure decorative laminate

KoskiFutura HPL is a remarkable product designed to meet the demanding requirements of applications where cleanliness and hygiene are paramount. It offers a multitude of benefits, making it an ideal choice for various marine applications. KoskiFutura HPL not only adds an aesthetic touch but also provides a protective layer. This ensures your surfaces remain in good condition, even in tough environments.

KoskiFutura HPL offers you a solution when you need a low maintenance surface.

SAFETY OF
FOOD

EASY TO
CLEAN

EASY
MACHINING

Additional information

Wood is a living material and every panel is unique. Therefore a photograph or a sample piece cannot represent a full sized panel as regards colours, shades, figure, knots etc. Please note that a slight colour variation is accepted between panels.

The information, although based on extensive testing, is intended as a guideline only and comes without warranty. We reserve the right to amend specifications without notice. Any defects other than those caused by clearly verified production or service faults by the supplier are the responsibility of the user. Any claim for compensation is limited to the value of the defective panels. The Seller makes no guarantee that the goods are fit for a particular purpose, unless it provides a written declaration of their suitability.
