#### Additional information

Wood is a living material and every panel is unique. Therefore a photograph or a sample piece cannot represent a full sized panel as regards colours, shades, figure, knots etc. Please note that a slight colour variation is accepted between panels.

The information, although based on extensive testing, is intended as a guideline only and comes without warranty. We reserve the right to amend specifications without notice. Any defects other than those caused by clearly verified production or service faults by the supplier are the responsibility of the user. Any claim for compensation is limited to the value of the defective panels. The Seller makes no guarantee that the goods are fit for a particular purpose, unless it provides a written declaration of their suitability.

## With a durable slip-resistant plastic coating

KoskiFutura Textured is strong birch plywood coated with a slip-resistant plastic coating. The tough and elastic polypropylene surface maintains its original colour over the years even when exposed to changing weather conditions. The coating also provides an easy to clean hygienic surface.

Strong and rigid birch plywood combined with a tough slip resistant coating make KoskiFutura Textured an ideal flooring material for the various needs of transport and construction industries. The elastic and durable coating protects the plywood against moisture penetration.

KoskiFutura Textured is suitable especially for vehicle floors, terrace floors, sports hall and play ground facilities, offices, shops and exhibitions.
