*Map of Koskisen roundwood sourcing area in Southern Finland

Koskisen is committed to sustainable forestry and responsible sourcing.

We declare that:

- **Regulatory Compliance:** All supplied wood material complies with the EU Timber Regulation (**EUTR**), the UK Timber Regulation (**UKTR**), and relevant CITES regulations. We are also committed to fulfilling the requirements of the EU Deforestation Regulation (**EUDR**) as it becomes effective.
- **Sanctions Compliance:** We strictly adhere to all applicable trade sanctions. We do not source wood from countries or regions subject to EU or UN sanctions (including Russia and Belarus).
- **Excluded Sources:** Through our Due Diligence System, we ensure our wood material does **not** derive from:
 - Illegal harvesting or trade.
 - Forestry operations violating traditional, indigenous, or civil rights.
 - Forests where High Conservation Values (HCV) are threatened by management activities.
 - Natural forests converted to plantations or non-forest use.
 - Genetically modified organisms (GMOs).
 - Conflict timber.

Date and place: Järvelä 21st January 2026
